Bartlett Woods church of Christ Medical/Permission Release Instruction

When filling the release form out, please complete the form with as much clarity and detail as possible. We refer to these in medical emergencies and we need correct, and updated, insurance information as well as important medical notes.

When putting the date in the form led up to by "shall remain in effect through the...", **please use the date of the 18th birthday of the student you are signing for**. If you do this, you will not need to fill out one of these forms again. Ever! This date should **not** just be the end date for the specific event your child is about to attend.

Thank you!
